

# FLYING CHINA **fc**

**Flying China** is the first and only print and online magazine for General Aviation (UL to GA) on the Chinese market; this market has the potential to be the fastest-growing aviation market of the world.

The key topics of **fc** are tests of aircraft from general aviation, microlights and LSA, pilot news, background info, avionics, aircraft engines, portraits of manufactures and importers, news about aviation organizations and authorities, flight schools and flying clubs, service-pages, safety and technology.
